

August 2011

Dear Valued Member:

Another year has passed and it is once again time to renew your club membership. By now you should have received your snowmobile registration renewal forms. We know it is difficult to think about registering your snowmobile now, in warm weather, however registering by November 1st, 2011 insures trail funding for our club. The trail funding helps enable us to provide you with local, well groomed trails for your enjoyment. With fuel prices being what they are, this will be more important than ever. Attached please find your club membership renewal form. Please complete and sign the form and mail it, along with your check or money order to:

Genesee SnoPackers, Inc.
PO Box 62
Oakfield, NY 14125

We will return your vouchers as soon as possible for you to register your snowmobile by the November 1st, 2011 deadline. Club memberships may also be renewed online by visiting <http://www.nyssnowassoc.org> by clicking on "join a club online now" box and follow the instructions. This website provides you with the option to pay by credit card and instant printing of your voucher.

Enclosed please find a list of upcoming events, please check our website for a list of trail coordinators and club officers. Volunteers are always welcome. If you are interested in volunteering for any event, marking trails or in any other capacity, please feel free to contact any of the club officers. Meeting are held the 1st Tuesday of every month. We encourage all club members to attend.

Thanks again,

Kevin Fisher-President
